This POS may be subject to revision by the Program Director based on prior certification.

*Students who did not complete the required Statistics course for admission or the required equivalent graduate level coursework in Advanced Pathophysiology across the lifespan, Advanced Pharmacology across the lifespan, or Advanced Physical Assessment across the lifespan prior to admission may have courses added to this POS. Students who did not complete Advanced Physical Assessment prior to Admission will also have PC714: Skills for Clinical Bound added to this POS.

**Students completing this POS are eligible to seamlessly continue into the PM-DNP if desired.
