This POS may be subject to revision by the Program Director based on prior certification.

Students who did not complete the required equivalent graduate level coursework in Advanced Pathophysiology across the lifespan, Advanced Pharmacology across the lifespan, or Advanced Physical Assessment across the lifespan prior to admission may have courses added to this POS.

Each academic term is 11 weeks. Additional details about all Frontier Nursing University academic programs and policies can be found in the [FNU Catalog](#).

FNU determines full-time study as 5 or more credits in a term. Students may choose to move slower or faster through the Program of Study, as desired and as prerequisites allow.
