Students who did not complete the required Health Assessment course for admission into the MSN program will have N400: Health Assessment course added to the first term of this POS.

FNU determines full-time study as 5 or more credits in a term. Each academic term is 11 weeks.

Students may choose to move slower or faster through the Program of Study, as desired and as prerequisites allow.

Additional details about all Frontier Nursing University academic programs and policies can be found in the [FNU Catalog](#).
