Students who did not complete the required Health Assessment course for admission into the MSN program will have N400: Health Assessment course added to the first term of this POS.

FNU determines full-time study as 5 or more credits in a term. Each academic term is 11 weeks.

Students should anticipate their academic workload to be as follows: 1-2 credits = at least 5-11 study hours a week
 3-6 credits = at least 14-33 study hours a week
 7-10 credits = at least 32-55 hours a week

Students may choose to move slower or faster through the Program of Study, as prerequisites allow. For a visual representation of a slower Program of Study, visit portal.frontier.edu/web/fnu/registrar.

Additional details about all Frontier Nursing University academic programs and policies can be found in the FNU Catalog at portal.frontier.edu/web/fnu/catalog
