<b>Total Credits</b>	<b>C6</b>	<b>Total Credits</b>	<b>D1 C5</b>				
<b>Total PGC Credits: 39</b>							

This POS may be subject to revision by the Department Chair based on prior certification.

Students who did not complete the required, equivalent, graduate level coursework in Advanced Pathophysiology across the lifespan, Advanced Pharmacology across the lifespan, or Advanced Physical Assessment across the lifespan prior to admission may have courses added to this POS.

FNU determines full-time study as 5 or more credits in a term. Each academic term is 11 weeks.

Students should anticipate their academic workload to be as follows:  
 1-2 credits = at least 5-11 study hours a week  
 3-6 credits = at least 14-33 study hours a week  
 7-10 credits = at least 32-55 hours a week

Students may choose to move slower or faster through the Program of Study, as prerequisites allow. For a visual representation of a slower Program of Study, visit [portal.frontier.edu/web/fnu/registrar](http://portal.frontier.edu/web/fnu/registrar).

Additional details about all Frontier Nursing University academic programs and policies can be found in the FNU Catalog at [portal.frontier.edu/web/fnu/catalog](http://portal.frontier.edu/web/fnu/catalog)
