ADMINISTRATIVE ACHIEVEMENTS

Frontier Nursing University - Department of Midwifery & Women's Health Courses NM712-716 & WH712-716

Achievement	Role	Dates
Created a new template for the Monthly Developmental Assessment Tool to prioritize student, preceptor, and faculty needs for a more concrete clinical evaluation tool. Worked with three Regional Team Leads to finalize 2 tools: 1 for all 5 midwifery clinical courses and 1 for all 5 women's health clinical courses. Shared template with FNP Clinical Director, Dr. Katheryn Arterberry, & PMHNP Clinical Director, Dr. April Phillips, who then individualized this tool for each program.	Interim Clinical Director	Fall 2021 - Fall 2022
Participated in developing and achieving the university's strategic plan initiatives for 2022.	Interim Clinical Director	Winter 2022 - Fall 2022
User tester for Informational Technology to trial the newest revisions, Phase 7, of the internal Clinical App prior to launching	Interim Clinical Director	Summer 2022 - Fall 2022
Co-led a project with the West Coast Regional Team Lead to standardize the transition to clinical orientation for students, including a mandatory 4-hour synchronous virtual training and a checklist to assist students with clinical preparation every term	Regional Team Lead - East Coast	Winter 2021 - Summer 2022

before Clinical Bound.

Achievement *continued*

Provided input to Informational Technology on needed revisions to improve the internal Clinical App as listed on Phase 7

Role

Dates

Interim Clinical Director

Fall 2021 -
Summer 2022

Faculty Facilitator for the ACNM-ACOG Maternity Care Education and Practice Redesign, a joint project of the American College of Nurse-Midwives and the American College of Obstetricians and Gynecologists, wherein medical students/residents in medical schools nationwide are paired with FNU student nurse-midwives in virtual simulation. This activity built on the Guiding Principles of Interprofessional Education, including team-based care, role clarity, and types of collaborative management, including collaboration, consultation, and referral.

Regional Team Lead
- East Coast

Winter 2021 -
Spring 2021

User tester for Informational Technology to trial the newest revisions, Phase 3, of the internal Clinical Log App before launching

Regional Team Lead
- East Coast

Summer 2021
- Fall 2021

Revamped clinical students' weekly reflection assignment, co-leading a project to foster meaningful emotional evaluation of clinical experiences. Replaced the single prompt used across all five consecutive courses with multiple course-specific prompts, enhancing student engagement and reducing faculty fatigue. Students were now required to connect their writing topics to at least one clinical competency listed on the course-specific Monthly Developmental Assessment, promoting the integration of core concepts.

Regional Team Lead
- East Coast

May 2021

Inaugural member of a 3-person team to assist the Clinical Director, Dr. Audrey Perry & then Dr. Eileen Thrower, administratively, launching a new paradigm of team-based leadership for 11 clinical courses.

Regional Team Lead
- East Coast

8/2020 -
9/2021

Under the direction of Clinical Director Dr. Audrey Perry, co-led a project to implement four virtual clinical simulations (VCS) in Spring 2020. These 20 clinical hours were created to support nurse-midwifery and women's health nurse practitioner clinical students who could not attend on-site clinical sites due to the COVID-19 pandemic. A total of 256 students chose to complete at least 1 VCS, gaining practical experience in assessing, diagnosing, and managing patients with specific clinical issues.

Regional Clinical Faculty

3/2020

Under the direction of the Clinical Director, Dr. Audrey Perry, co-led a project to facilitate a smooth transition of students' clinical documentation in the Typhon system to the newly launched internal Clinical Log system.

Regional Clinical Faculty

Fall 2019 -
Spring 2020

Under the direction of the Clinical Director, Dr. Jane Houston, worked on a team to develop a new Monthly Developmental Assessment Tool based on a provided template.

Regional Clinical Faculty

Fall 2018 -
Summer 2019
