Moriarty, K. (October 8th, 2013). Consortium of Academic Health Centers for Integrative Medicine (CAHCIM), Train the Trainer Institute for Inter-Professional Faculty Development in Integrative Health. (Faculty scholar program (FSP) has engaged more than 100 faculty members from diverse academic disciplines at the University of Michigan to collaborate and become learned in this arena- I was invited as one of three FSP presenters.) Topic: Integration of clinical practice, scholarship, and education.

Moriarty, K. (April 22nd, 2013). Faculty scholar program in Integrative Medicine, Invited panel Member. Consortium of Academic Health Centers for Integrative Medicine (CAHCIM), Semi-Annual Meeting.

Moriarty, K. (October 1st, 2009). Acupressure for women in labor. University of Michigan Health Services. She doesn't want an epidural, What do I do now? 75 minute inservice to RNs, NM students, CNMs. Ann Arbor, Michigan.

Invited or refereed presentations at local/regional meetings

Moriarty, K. & Schwartz, D. (March 30th, 2008). Physiologic responses to acupressure as a pre-birth treatment. Oral presentation at Midwest Nursing Research Society (MNRS) Physiologic Aspects Related to Childbearing Research Symposium, Indianapolis, Indiana, USA.

Seminars and Grand Rounds

Moriarty, K. (October, 2022). Workshop: Optimizing Wellness via Mind, Body, Spirit modalities. Chatham, Ontario, CANADA

John, D., Moriarty, K., Hunt, D., Morris, C., & Keefe, J. (October, 21, 2017). Course Improvement a Continuous Process. Workshop at Frontier Nursing University Faculty Meeting, Hyden, Kentucky.

Students and New Midwives Section ACNM (member). (September 21, 2017). YOU Are ACNM. Online Webinar.

Students and New Midwives Section ACNM (member). You are ACNM. Student and New Midwives Section ACNM (March, 2017). Ask the Midwives. Virtual Q&A session.

Moriarty, K. & MICHI (March, 2017). “Can nurse practitioners really do that? Dirty lies and how to rectify the misconceptions and bridge collegiality.” Virtual State Meeting and Seminar.

Komorowski, J, Moriarty, K., & Graham, H. (October 22, 2016). Integrative Healthcare and Education: How to we incorporate. Workshop at Frontier Nursing University Faculty Meeting, Hyden, Kentucky.

Moriarty, K. & MICHI (September, 2016). “Reigniting and engaging members”. State Meeting of MICHI and Seminar, Lansing, Michigan.

Moriarty, K., Mary Lewis & Joan Visger (October 6th, 2015). Grand Rounds: Detroit Medical Center, Hutzel Women’s Hospital. Urban Midwifery: Past , Present & Future.

Moriarty, K. (February 3rd, 2015). Nurse-Family Partnership: Who we are, what do we do, and how can we help your clients. Detroit Medical Center: Sinai Grace Hospital. Grand Rounds.

Moriarty, K.(January 20th, 2015). Nurse-Family Partnership: Who we are, what do we do, and how can we help your clients. Detroit Medical Center: Hutzel Hospital. Business Meeting.

Moriarty, K. (May 20, 2014). Integrative healthcare, complementary therapies in Midwifery. School of Nursing, Nurse-Midwifery Educational Program. Wayne State University.

Moriarty, K. (January, 2013). Mission, Vision, Core Values: Wayne State University Physician Group,

Moriarty, K. (November 7th, 2013). Midwifing the midwife: Optimal healing environments-it starts with the practitioner mind, body and spirit. Wayne State University Physician Group, CNM Service.

Moriarty, K. (May 7, 2013). Integrative health care approach for midwives. WSU NM Graduate students, Course title: NUR7227 Section 004 Advanced Practice Nursing with Women, Neonates & Children: Pathophysiology, Clinical Care and Management III. CNM Service. Hutzel Women’s Hospital, Detroit, MI.

Seminars and Grand Rounds

- Moriarty, K. (January, 2013). Grand Rounds DMC- Hutzel Women's Hospital: Integrative healthcare and Complementary Therapies for Pregnancy
- Moriarty, K. (November, 2012). WSUPG CNM Service: Staff meeting presentation: Mind Body Spirit and holistic care of our patients.
- Moriarty, K. (Sept, 2012). WSUPG CNM Service: Presentation of Feng Shui student project.
- Moriarty, K. and MiCHI Group (January 15, 2012). Michigan APNs and acupuncture: Updates, State of our Practices, Plans for our Future Michigan Consortium on Holistic Integration (MiCHI), Web: State Meeting, Saginaw, Michigan.
- Moriarty, K. (July 29, 2011). Canadian Health Care Delivery System and Health Care Issues. Taiwan third year nursing student delegation from Taipei Medical University at University of Windsor, Ontario, CANADA.
- Moriarty, K. (July 18, 2011). American Health care delivery system and health care issues. Taiwan third year nursing student delegation from Taipei Medical University (TMU) at University of Michigan, Ann Arbor, Michigan, USA.
- Moriarty, K. and MiCHI Group(January 16th, 2010). Developing a complementary and integrative community for Advanced Practice Nurses: Mission, Philosophy, and Goals. Michigan Consortium of Holistic Integration, Flint, MI
- Moriarty, K. (January 28th, 2010). Family Centered Pregnancy and Birth. 2hr seminar to N352 Undergraduate OB students University of Michigan, SON.
- Moriarty, K. (February 10th, 2010). Stress and the Human Response, Assessing and Managing Stress, Stress Management Interventions, and Effective Coping Behaviors. 2hr seminar to N130 (HPRR across the life span) students at University of Michigan, School of Nursing.
- Moriarty, K. and MiCHI Group (April 18, 2010). Developing a complementary and integrative therapies clinic: Concept to Practical Implementation. Meeting of organization. Michigan Consortium for Holistic Integration, Flint, MI.
- Moriarty, K. (Sept 24th, 2010). Family Centered Pregnancy and Birth. 2hr seminar to N352 undergraduate OB students University of Michigan, SON.
- Moriarty, K. and MiCHI Group (November 14th, 2010). Advanced Practice Nurses and the inception of Community: Development of an acupuncture/acupressure organization. Michigan Consortium of Holistic Integration, Ann Arbor, MI
- Moriarty, K. (April 22nd, 2009). Maternal Healthcare. Evidence Based Care: Bridging Research and Clinical Care: Grand Rounds to OB physicians/ Maternal Child Nursing Department/ Traditional Chinese Medicine Faculty. Taipei Medical Center. Taipei, Taiwan.
- Moriarty, K. (April 16th, 2009). Transcultural Care: Healthcare in the United States and Canada. Taipei Medical University, School of Nursing. Taipei, Taiwan. Invited Visiting Scholar.

Seminars and Grand Rounds

- Moriarty, K. (April 16th, 2009). Women's Health Care: The role of midwife in women's health care in the USA and Canada. Taipei Medical University, School of Nursing, Taipei, Taiwan. Invited Visting Scholar.
- Moriarty, K. (April 15th, 2009). Family Nursing: Family health care during pregnancy. Taipei Medical University, School of Nursing, Taipei, Taiwan. Invited Visting Scholar.
- Moriarty, K. (October 1st, 2009). Acupressure for women in labor. University of Michigan Health Services. She doesn't want an epidural, What do I do now? 75 minute inservice to RNs, NM students, CNMs. Ann Arbor, Michigan.
- Moriarty, K. (February 28th, 2007). Acupuncture/Acupressure and clinical applications to women's health. Invited speaker for Annual American College of Nurse Midwives (ACNM) Chapter IV-2 Sister Sheila Lecture/ Chapter Meeting. Infant Welfare Society, Chicago, IL, USA.
- Moriarty, K. (October 16th, 2007). Effects of acupressure as a pre-birth treatment on uterine activity. Poster presentation at Advocate Illinois Masonic Medical Center (AIMMC) Research Seminar, Chicago, Illinois, USA.
- Moriarty, K. (Winter 2006). Issues of quality, safety and efficacy of botanical dietary supplements and their uses/ Integration into healthcare. Guest Lecturer at University of Illinois at Chicago graduate nursing class.
- Moriarty, K. (Winter 2006). Complementary and Alternative Therapies. Nursing and Midwifery working together to expand birth options on the Labor and Delivery Unit. Inservice to nursing staff at Advocate Illinois Medical Center, Chicago, IL, USA.
- Moriarty, K. (2005, November). Complementary and Alternative Therapies and Women's Health. Guest Lecturer at University of Illinois at Chicago graduate nursing class, Chicago, IL, USA.
- Moriarty, K. (2004, November). Integrative Pain Care: Creative Approaches in Clinical Practice. Breakout Session Moderator, Presenter, Conference Planning Committee Member. University of Illinois at Chicago College of Nursing sponsored conference, Chicago, IL, USA.
- Moriarty, K. (2002, January). Complementary and Alternative Therapies in the Childbearing Period. Visiting Lecturer at Advocate Illinois Masonic Medical Center given to the Obstetrical Faculty/ Resident Physicians/ Nursing Department/ Midwifery Colleagues, Chicago, IL, USA.
- Moriarty, K. (1999, October). Midwives: Past and Present. Presentation for Obstetrical Department at Illinois Masonic Medical Center, Chicago, IL, USA.
- Moriarty, K. (1996, September). Working with Certified Nurse Midwives: Philosophy and Practice. Presentation for medical residents at Illinois Masonic Medical Center, Chicago, IL, USA.
- Moriarty, K. (1996, December). Triaging your clients. University of Illinois at Chicago. Nurse Midwifery class, Chicago, IL, USA.

Seminars and Grand Rounds

Moriarty, K. (1994, October). Midwives-Who are they? What do they do? How do I become one? Paper presented to Tucson High School Med-Start Club. Tucson, Arizona, USA.

Moriarty, K. (1994, September). Technology Friend and Foe: Issues during the childbearing years. Paper presented at the 6th Annual School of Nursing Alumni Seminar, University of Windsor, Windsor, Ontario, CANADA

Moriarty, K. (1993, September). Childbirth and Midwives. Paper presented at the University of Windsor, Windsor, Ontario, CANADA

Moriarty, K. (1992, April and July). Care of the client with Hypertensive Disorders during Pregnancy. Paper presented at Northwestern Prentice Hospital, Chicago, Illinois USA.

RESEARCH ACTIVITIES:

Grants

Grants that I assisted in obtaining or oversaw as Director of NFP/Maternal Child Initiatives at DWCHA:

- National Service Office Nurse-Family Partnership and Social Finance with support from myself as the Director of Detroit Wayne County Health Authority (Authority Health) submitted RFP in October 2014 for a 7-year Social Impact Bond/ Pay For Success (SIB/PFS) project (PFS with a budget of \$17.8 million, including service delivery (\$15.7 million), PFS transaction, and intermediary costs, Start date of April 2015, project proposal targets 1,620 – 2,160 Medicaid-eligible first-time mothers living in high-risk areas in Wayne, Oakland, Genesee, and Macomb counties

2015

MIECHV NFP: \$250,000

Medicaid Match NFP: \$195,112

Jewish Foundation NFP: \$390,223

State Expansion NFP: \$283,189

COIN QA project: \$20,000

2014

Kellogg Foundation for NFP: \$499,860

MIECHV for NFP: \$250,000

Medicaid Match for NFP: \$439,017

Jewish Foundation for NFP: \$378,173

State Expansion for NFP: \$208,773

COIN QA project: \$10,000

Additional research projects

Doctoral (PhD) Dissertation, PI: **Psychophysiological responses to acupuncture used as a pre-birth treatment at full term gestation.** Doctoral dissertation University of Illinois at Chicago, Chicago, IL USA (defense 2007)

Inventions/Instruments/Products

NA

FACULTY PRACTICE ACHIEVEMENTS:

- First Midwife to ever become certified by Acupuncture Foundation of Canada Institute (CAFCI) now known as Acupuncture Canada-went on to found the first clinic site for Integrative Healthcare and Complementary therapies for Pregnancy and Reproductive Women's Health in the USA through the University of Michigan, School of Nursing, Nurse Managed Center
- First workshops ever held for American College of Nurse-Midwives Annual Meetings for acupuncture and acupuncture incorporation during pregnancy.
- First Advanced Nurse Practitioner to ever obtain hospital credentialing to perform acupuncture and acupuncture at the University of Michigan, School of Nursing, Nurse Managed Center
- First Advanced Nurse Practitioner to ever obtain hospital credentialing to perform acupuncture and acupuncture at the Detroit Medical Center
- Chair of FNU Mindfulness Committee-lead team of 4 faculty that facilitates monthly sessions for faculty and staff of the university, applied and we were accepted to develop CEU for FNU in Mindfulness.
- CLINICAL PRACTICE: PI 2: Positive InterACTION/(PAWS)itive InterACTION: Wellness initiatives with wellness Seminars/weekends, Mindfulness, Shin-Rin Yoku (Forest

Bathing/Nature Therapy) guided walks, Pet Therapy, acupuncture, acupressure, moxabustion, stress reduction modalities.

ADMINISTRATIVE ACHIEVEMENTS:

- President, Michigan Consortium for Holistic Integration (MiCHI): an organization for the support and networking of Michigan Advanced Nurse Practitioners involved in the practice of acupuncture/ acupressure. MiCHI also assists with developing standards of APN acupuncture/acupressure practice, advocates for acupuncture/ acupressure, encourages and promotes research involving acupuncture/ acupressure.
- Past Director of NFP and all Maternal Child Health Initiatives at Detroit Wayne County Health Authority (DWCHA): NFP team –doubled the size of team; renewed all grants; assisted the National Office in obtaining a Pay For Success/ Social Impact Bond (PFS/SIB) with the PFS budget of \$17.8 million, including service delivery (\$15.7 million), PFS transaction, and intermediary costs, project proposal of targeting 1,620 – 2,160 Medicaid-eligible first-time mothers living in high-risk areas in Wayne, Oakland, Genesee, and Macomb counties ; assisted with founding the CNM Service for DWCHA,
- Past Co-Director of Nurse-Midwifery Education Program at the University of Michigan, School of Nursing

PROFESSIONAL ACTIVITIES:

Memberships and Positions Held in Professional Organizations

American College of Nurse Midwives (ACNM)

- ACNM Region IV representative term 2014-2020 (2 terms) encompasses the following States: Arkansas, Missouri, Illinois, Indiana, Ohio, Kentucky, Michigan
- ACNM National Board of Directors-Board Liaison for following:
Division of Education (DOE now the DAM),
Students and New Midwives Section (SANMS),
Directors of Midwifery Education (DOME)
Midwives Educated Abroad subcommittee (completed)
Sleep & Safety subcommittee (completed)
Name Change Implications Task Force (NCITF)-completed 2015,
Awards Committee,
ACNM Strategic Planning- President's Committee-completed
Volunteer re-structuring-President's Committee- completed
Funding Development Subcommittee- completed
Gender Equity Gender Nonconforming Task Force-completed
- ACNM: Michigan State Affiliate, At Large Rep (2012-2014)
- ACNM Directors of Midwifery Education (DOME), Co-Director, University of Michigan, Nurse-Midwifery Education Program, 2011-Sept 2013

Policy and Advisory Board Memberships

- American College of Nurse-Midwives, BOD Region IV Rep, 2014-2017, 2017-2020
- Michigan Consortium of Holistic Integration (MiCHI), President, 2009-Present

Editorial activities

Reviewer of Manuscripts--content expert for integrative and complementary therapies

- Journal of Midwifery and Women's Health (JMWH)

- Journal of Evidence-Based Complementary & Alternative Medicine

Grant Review Activities (Federal and other research and training grant reviews) (specify: role, name of review panel, organization, dates, standing/ad hoc).

Consultations: NA

School SERVICE:

FNU Community:

Diversity and Inclusion Committee, Past co-Chair of subcommittee: Workforce and Environment (2016-2017)
Chair 2018

Culture of Caring committee –committee member, 2017-2020; 2023-2026

Employee Engagement committee—member, Jan 2018-ongoing

Wellness Committee committee-member, February 2021-2023

Mindfulness Sub-committee: chair, monthly sessions are facilitated for faculty and staff by 3 faculty (Katie Moriarty, Ana Verzone, Nicole Lassiter, April Phillips, Rosalie Seitz, Autumn Grace)

PAST: University of Michigan, School of Nursing, Division II: Health Promotion Risk Reduction Committee Work at UofMich and Service Involvement:

Yr 2011-2014

Graduate, Faculty Practice Plan Advisory Council (FPPAC)-elected committee position, Faculty Practice Plan, Clinical Track Faculty, Faculty Ambassador, Student Grievance Faculty Panel, LEO major review, Undergraduate Honors Student Selection Committee

Yr 2010-2011

MDCH: Fetal and Infant Mortality Review (FIMR) Case Review Team.

Detroit Regional Infant Mortality Reduction Task Force member (2014-ongoing)

Local Leadership Group (LLG): member of task force (2014-2016)

TEACHING ACTIVITIES:

Training Grants NA

Curriculum Development Activities

Frontier Nursing University

PC702 each faculty is in charge of their modules for curriculum development and content, quiz and assignment development – I am in charge of Module 1 (Introduction to Epidemiology and Biostatistics) and 10 (Analytic Epidemiology)

University of Michigan, School of Nursing

N516/ HBE HDE 517 Integrative healthcare, Complementary therapies and Alternative healing-course developed for School of Public Health and cross listed within the School of Nursing

Katie Moriarty: University of Michigan/ Taipei Medical University (Dr. Lu-I Chang)/ University of Windsor (Fran Meloche)

Coordinated 1 month program between Taipei Medical University, College of Nursing, University of Michigan, School of Nursing, and my alma mater University of Windsor, Faculty of Nursing- by hosting Dr. Lu-I Chang, Professor and her 4 undergraduate students. (Developed a Memorandum of Understanding (MOU) between our schools: TMU and UofM SON)

Courses Taught

FRONTIER NURSING UNIVERSITY-HYDEN KENTUCKY now Versailles, KY (online education, role course faculty, all classes at FNU 3 credit courses)

Spring, 2023

NM701: Gynecologic Health (50%) 102 students, my cohort 31 students

NM704: Labor and Birth (50%) 75 students, 1/3 of workload

Winter, 2023

NM701: Gynecologic Health (50%) 135 students/ my cohort 28

NM704: Labor and Birth (50%): 85 students/ 1/3 of workload

Fall, 2022

PC702 (50%) 144 enrolled in course-my cohort is 28 students

PC718 (50%) 168 enrolled in course- my cohort is 26 students

Spring 2022

PC702 (50%) 216 enrolled in course-my cohort is 33 students/ ended w 206 students/32 students

PC718 (50%) 232 enrolled in course- my cohort is 26 students/ ended w 223 students/ 26 students

Winter 2022

PC702 (75%) 249 enrolled in course-my cohort is 48 students

PC718 (25%) 239 enrolled in course- my cohort is 14 students

Fall 2021

PC702 (75%) 234 enrolled in course—my cohort 52 (ended w 47)

PC718 (25%) 238 enrolled in course- my cohort —my cohort is 11 (ended w 10)

Summer 2021

PC702 (75%) 248 enrolled in course—my cohort is 47 students

PC718 (25%) 215 enrolled in course- my cohort —my cohort is 13

Spring 2021

PC702 (75%) 277 enrolled in course—my cohort 59 students

PC718 (25%) 257 enrolled —my cohort is 14 students

Winter 2021

PC702 (75%) 241 enrolled-my cohort is 55 students

PC718 (25%) 204 enrolled- my cohort is 13 students

Fall 2020

PC702 (25%) 221 enrolled-my cohort is 29

PC718 (75%) 249 enrolled- my cohort is 34

Summer 2020

PC702 265 enrolled in course (75% 63 at enrollment)

PC718 222 enrolled in course (25% 18 students at enrollment)

Spring 2020

PC718 (25% after rollcall 19 students)

PC702 (75% 62 enrolled, 56 after rollcall)

Winter 2020

PC718 100% (60 students-51 at end of term)

Fall 2019

PC718 100% (71 students)

Summer 2019

PC702 25% (25 students)

PC718 75% (43 students)

Spring 2019

PC702 25% (20 students)

PC718 75% (50 students)

Winter 2019

PC702 25% (29 students)

PC718 75% (29 students)

Fall 2018

PC702 Epidemiology & Biostatistics (25%: 19 students)

PC718 Evidence Based Care (75%: 40 students)

Summer 2018

PC702 Epidemiology & Biostatistics (50%, proctorio, assist w BBBs, exam writing, discussion boards)

Spring 2018

PC702 Epidemiology & Biostatistics (25%, ~25)

PC718 Evidence Based Care (75%, ~48)

Winter 2018

PC718 Evidence Based Care (75%, ~44)

Fall 2017

PC702 Epidemiology & Biostatistics (50%, ~40)

PC718 Evidence Based Care (25%, ~20)

Summer 2017

PC702 Epidemiology & Biostatistics (50%, ~42 students)

PC718 Evidence Based Care (25%, ~18 students)

Spring 2017

PC702 Epidemiology & Biostatistics (50%, ~40 students)

PC718 Evidence Based Care (25%, ~22 students)

Winter 2017

PC718 Evidence Based Care 50% (40 students)

PC702 Epidemiology & Biostatistics (25% 31 students)

Fall 2016

PC C702 Epidemiology & Biostatistics (25%, ~23 students)

PC 718 Evidence Based Care (50%, ~ 40 students)

Summer 2016

PC 718 Evidence Based Care 50% (~48 students)

Spring 2016

PC718 Evidence Based Care 50% (~32 graduate students)

Winter 2016

PC718 (formerly PC703) Evidence Based Care 50% (~50 graduate students)

Fall 2015

PC703: Evidence Based Care 50% (31 graduate students)

TEACHING

UNIVERSITY OF MICHIGAN, ANN ARBOR, MI

August 2008-August 31, 2014

University of Michigan, Ann Arbor, Michigan, USA

Clinical Assistant Professor, Division of Health Promotion and Risk Reduction Programs, School of Nursing. Teaching in undergraduate and graduate programs and involvement in graduate level scholarly projects within my area of expertise (maternal child, nurse midwifery and women's health, integrative healthcare/ complementary therapies and alternative healing). Link clinical practice, teaching, and scholarship within obstetrics and nurse-midwifery.

Undergraduate students

2010

Guest lecture: N352: undergrad OB (Dr. Judy Wismont was Faculty of Record Faculty of Record FOR)

Guest Lecture: N130: Stress and the Human Response, Assessing and Managing Stress, Stress Management Interventions, and Effective Coping Behaviors. (Dr. Joanne Pohl- FOR)

N334 RN to BSN: Health Promotion Risk Reduction in Individuals and Families, (Faculty of Record, co-taught with Michelle Pardee)

Teaching 2009

N499 Independent Study student (continued from 2008 project)

N334 (RN to BSN: Health Promotion Risk Reduction in Individuals and Families, group taught with Dr. Iris Padilla and Norma Sarkar)

N313 (2nd career obstetrical students: assisted with didactic with Tracy Anderson)

N499 Independent study 2 CrH (Rachel Ades, Margaret (Molly) van Buitenen: Complementary and Integrative healthcare: worked with me on a Feng Shui project to improve the environment at the Nurse Managed Center. We wanted to utilize Feng Shui concepts to address the mind, body, spirit, and all of our senses (everything that is impacted by vision, smell, touch, or our hearing). We presented our portfolio to the NMC director (Emily Meuleman) and clinic staff at the Nurse Managed Center. We have begun to incorporate some of these ideas/ suggestions (colors for the repainting, music that we listen to, physical arrangement of the center).

WS350 (workstudy student) Joseph (Joey) Perosky: assisted me with organizing information from acupuncture organizations to see what their mission, vision, objectives/ aims, and organizational structure was. This information was shared with Michigan APNs that are currently incorporating acupuncture/acupressure into their clinical practice and with the creation of our own organization (Michigan Consortium of Holistic Integration-MiCHI).

Guest lectures: N352 Judy Wismont undergrad OB, gave lecture on midwifery and family centered care

Teaching 2008

N313 (Childbearing/Reproductive Health Nursing-2nd career)

N352: observational with Dr. Judy Wismont / lectures i) Complementary and alternative therapies during pregnancy and ii) Midwifery

N499 2 CrH Independent study (Karyn Braley: complementary and integrative healthcare-development of Ann Arbor providers contact list and assisted with developing Evidence Based Information for prenatal packages for patients) student assisted me with a) compiling local and regional Complementary and Integrative therapist for collaboration, referral, and future research endeavors; b) created a therapist contact list; c) collected a copy of their brochures and obtained their business cards; d) assisted with developing evidence based information of prenatal packages for patients.

Graduate students

2014:

N546 Care of the Essentially Normal Pregnant Woman, Faculty of Record (FOR) and clinical coordinator

N516/ HBE HDE 517 Integrative healthcare, complementary therapies and alternative healing, FOR for didactic and practicum: Mind Body Skills Lab (MBSL)

N678 Professional issues for nurse-midwifery, FOR, 10 students

2013:

N546/640 (Faculty of record FOR and Clinical Faculty for N546) 8 students in N546 and 23 students for N640);

N516/ HBE HDE 517 (FOR, 14 students);

N678 Professional Issues for Nurse Midwifery, FOR, 10 students;

N676 Intrapartum 4 CrH (Dr. Lisa Kane Low- Faculty of Record and Ruth Zelinski adjunct faculty) Clinical coordinator for course (8 students);

N566: N566: Advanced Primary Care Nursing I: Health Promotion and Management of Acute Health Problems of Adults and Well Woman/GYN Care (10 students) 1 FTE (Co-taught course- assisted with didactic and had clinical NM/Family Nurse Practitioner and Nurse Midwifery (FNM) group

2012

N516/ HBEHDE 517 Integrative healthcare, Complementary therapies, Alternative Healing (cross listed with Public Health) 3 CrHr/ 1 Lab, Faculty of Record (FOR) for didactic material and for experiential component of lab (FOR)

N546-N640 Antepartum Care of the Essentially Normal Woman (FOR for didactic, arranged clinical sites, clinical conferences, site visits)

N678 Professional Issues for Nurse Midwifery (FOR)

N676 Intrapartum, postpartum, newborn (co-taught with Dr. Lisa Kane Low)

2011

N546 Antepartum care of the Essentially Normal Woman-same as above

N516 Integrative Healthcare, Complementary Therapies & Alternative Healing.

N678: Professional Issues in Nurse Midwifery –same as above

N503: Advanced health Assessment for Advanced Practice Nurses (group taught)

N676 Intrapartum, postpartum and newborn (co-taught with Dr. Lisa Kane Low)

2010

N546-640 Antepartum Care of Essentially Normal Women-same as above

N678 Professional Issues for Nurse-Midwives

N503 (Spring and Fall) Advanced health Assessment for Advanced Practice Nurses (group taught)

N676 Intrapartum (co-taught with Dr. Lisa Kane Low)

2009

N546/640 Antepartum Care of Essentially Normal Women (co- taught with Dr. Jody Lori)

N678: Professional Issues in Nurse Midwifery (co-taught with Dr. Jody Lori)

N676 Intrapartum, Postpartum & Newborn Care (co-taught: with Dr. Lisa Kane Low didactic (lectures) and clinical (arranged clinical sites, conducted clinical conferences, and performed clinical site visits)

2008

N676 Intrapartum, Postpartum & Newborn Care (co-taught with Lisa Kane Low)

Workshops/CE Taught

ACNM BOD, regional reps: 63rd ACNM Annual Meeting & Exhibition (May 2018). Affiliate Development workshop

ACNM Student and New Midwife Section (SANMS): 63rd ACNM Annual Meeting and Exhibition (May 2018).

Workshops/CE Taught

ACNM Board of Directors, Regional Reps: 62nd ACNM Annual Meeting and Exhibition. (May 22, 2017). Affiliate Development workshop (8-11).

ACNM Students and New Midwives Section (SNMS): 62nd ACNM Annual Meeting and Exhibition. (May 2017). Speed dating with the Leaders.

ACNM Board of Directors, Regional Reps: 61st ACNM Annual Meeting and Exhibition. (May 23, 2016). Affiliate Development Workshop (8-12pm).

ACNM Board of Directors: Regional Reps 60th ACNM Annual Meeting and Exhibition. (June 27, 2015). Affiliate Leadership Skills Workshop (8-12pm).

ACNM Leadership Breakfast (June 28, 2015). Presenting Strategic Plan and facilitating with group- Next steps (8:30-11:30). 60th Annual Meeting and Exhibition, Washington DC.

Moriarty, K. (Sept 20th, 2014). Organized, hosted, and panelist of documentary Microbirth with meet and greet, screening and panel discussion moderated by Detroit County Officer (Dr. Hommami). Venue Detroit Science Center. Attendance ~125.

Warber, S., Moriarty, K., Hannan, K., & Casselman, C. (December 12th, 2013). Complementary and Alternative Medicine and Stress Management. University of Michigan, Ross Business School, Half day workshop/lecture to NP students from the School of Nursing.

Moriarty, K. (June 1st, 2011). Integrating Complementary and Alternative Therapies (CAT) in Nursing. Three hour lecture/workshop with experiential component (acupressure, moxabustion, hand massage, aromatherapy, guided imagery). Topics covered: Optimal healing environments, self as healer, use of presence, intention, therapeutic listening, overview of selected CAT with definitions, background, scientific basis, uses and precautions, cultural applications, suggestions for research. Taipei Medical University (TMU), TAIWAN.

Moriarty, K. (June 2010). Acupressure Pre-birth Treatments for Cervical Ripening and Labor Stimulation at Full Term Gestation. Half day workshop at the 55th ACNM Annual Meeting and Exhibition. Washington, DC.

Moriarty, K. & Nicole Settle (May 21st, 2009). Acupressure and clinical applications to midwifery. Half day workshop at the 54th National Convention for the American College of Nurse Midwives. Seattle, Washington.

Moriarty, K. (January, 24th, 2009). Acupressure and clinical applications to midwifery. Two hour workshop for the Michigan chapter of the American College of Nurse Midwives at their winter retreat. Augusta, MI.

MAGNA: 10/10/2019: What Are the Secrets to Providing Highly Effective Feedback to Students? (think like a coach—give substantive feedback—get out of grade based mentality—primary purpose is to give feedback/ give detail so they can improve/ positive and negative—tell both—start w positive—then go to negative)/ develop feedback toolbox/ give feed up-purpose of why you are doing things/ teach incrementally/ model how to do/ teach content not grammar

NursTIM:

- 10/10/2019 Creating Engaging and Meaningful Online Discussion with Drs. Cheryl Parker and Tese Stephens (ideal is: Fully engaging with each student • Creative, constructivist approach • Student-centered, adult-learning based • Meaningful & Relevant • Robust, self-directed discussions/ TRUE Discussions: Constructivist Learning Experience • Critical Thinking & Clinical Reasoning • Discussion Board Culture
- Beyond Incivility: Fostering a Health Learning Environment with Dr. Susan Luparell
- Interprofessional Education Projects for Undergraduate and Graduate Programs with Drs. Amy Bigham and Andrea Collins
- Debriefing Simulation w Michele Aebersold & Jane Paige. This webinar delves into the “nuts and bolts” of debriefing and feedback methods to assist faculty in selecting the most appropriate debriefing method matched to the purpose of the simulation experience. They compared and contrasted debriefing methods, identified common errors in debriefing, and generated ideas for development of faculty skill in debriefing methods. Ideas on how to prepare the student for the debriefing experience were shared.
